Highland County Society for Children and Adults, INC
would like to introduce you to their 2023 Poster Child:

Addie Johnson

Addie is 7 years old, a 2nd grade student at Lynchburg Elementary School and an avid lover of animals. She loves riding horses, showing goats at the fair, participating in church activities and spending time with her family and friends.

Addie does her best to keep a positive attitude inspite of her on-going health challenges that she deals with every day. More than not you will find her flashing her beautiful smile and being that inspiration to others by demonstrating everyday what being STRONG looks like.

Addie's parents: Zach and Jessica Johnson would like for you to know they are grateful to the Society for the assistance they have received to help with medical expenses for Addie and they want others to know they too may qualify for assistance.
